NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

The Pied Pipers played their hearts out here Friday night but it was not enough as they fell victims to one of the finest high school ball clubs we have seen in a long time. The Indians have just too much of everything to stop.

While the Indians have a well balanced club that seems to be able to do everything, the real sparkplug has to be their quarterback, Lanny Ivy. He appears to be the most outstanding college prospect to come out of this part of the country since Jack Mildren of Abilene.

This is his third year to start for Haskell and he gets better every year.

We hope that Haskell can go all the way this year and feel that they have a good chance barring any bad breaks, such as key injuries.

While there have been years that we have had some more outstanding players, overall this was the finest Hamlin team this year that we have seen in the past ten years we have covered their games.

We have not seen a team that has worked any harder and played any better as a team.

It just was a shame that they had to come along the same year that Haskell comes up with a powerhouse. This is the first time that I can remember a team beating both Stamford and Ballinger and not winning the title but when two teams do it there is just not room for both.

It was on a real sad note that we learned Monday morning that Coach Joe Youngblood had submitted his resignation effective immediately. While we suspected that this would be his last year here, we were still hoping that he would stay on.

While he had more than his share of problems his first two years, he has developed a fine program for Hamlin that will make the next man's job a lot easier. During the past three years Hamlin has won 20 out of its 30 games which is a fine record in this district and has been in contention for the title each of these years.

We can only wish Joe the best of everything in his new endeavor.

We received the following letter from Koleta Newsom Allison expressing her appreciation to all of those who had a part in Homecoming:

Dear Hamlin Friends:
Thank you for the honor of being Ex-Student Homecoming Queen this year. It was a real thrill and I enjoyed every minute of it. My sincere thanks and appreciation to all of you who made this possible. Wichita Falls has been my home for many years, but Hamlin has always been my Hometown! Again, my thanks. See you at Homecoming next year.
Koleta Newsom Allison

We were pleased to learn that Ben Barnes will be the speaker for the annual BCD banquet in February. He should draw a good crowd and with it being a political year he should have some rather interesting comments to make.

We just hope that he has made up his mind by then not to run against Preston Smith for governor. In the first place we do not believe he can beat him since Smith has only served one term and in the second place he needs to learn to slow down and wait his turn.

If he does not want to be Lt. Governor again, then we would suggest that he run against Ralph Yarborough for the Senate seat. We have never cared too much for Ralph and when he endorsed the first moratorium and came out for peace at any price then we cared even less for him.

BAND SWEETHEART NAMED—Peggy Jones, center, was named Band Sweetheart at the halftime ceremony Friday evening. Gary Carson, band president, second from left, placed the crown. Other nominees are left to right,

Marcia Steele, Jana Ferguson and Jan Young. The Sweetheart is selected by vote of the band members a week prior to the presentation. All of the girls are seniors.

Basketball Opener—

Hamlin-Aspermont Play Here Friday

The Hamlin High School basketball teams will open their season here Friday night when they host Aspermont. The boys B Team will play at 5:30, followed by the Pipettes, and then the Pipers.

The Pipers will be coached this year by Bob King, the Pipettes by Dan Truelove and the B Team by Larry Butler.

A special season ticket offer is being made by the school. The tickets will be good for all 10 high school home games, the Hamlin boys tournament and all Junior high games and will sell for \$7.50 for adults and \$2.50 for students. The regular high school admission is 75c for adults and 25c for students.

The Pipers and the Pipettes will host Lueders-Avoca here Tuesday night.

The Hamlin Boys will host their annual tournament here Dec. 4, 5, and 6 and will play in the Anson Tourney

Dec. 11, 12, and 13 and the Stamford Tourney Dec. 29, 30 and 31.

The Pipettes will play in the Anson Tourney Dec. 4, 5, and 6; in the Hardin-Simmons Tourney Dec. 11, 12, and 13; and the Knox City Tourney Dec. 18, 19, and 20.

District 7-AA action will open Dec. 16 with Hamlin traveling to Haskell.

Demonstration of Tractors Set Friday

Connally Ford Sales, local Case Tractor dealer, will conduct a performance demonstration of the new 1970 tractors Friday, according to Charles Connally, owner. The demonstration will start at 9:30, weather permitting.

The demonstration will be held on the J. E. McCoy farm four miles south on the Neinda Highway, FM 126.

A factory representative will be on hand and refreshments will be served.

Salvation Army Fund Drive Opens Today

The yearly campaign for funds for the Salvation Army will get underway here today (Thursday) according to the campaign chairman, Rev. Marshall Stewart.

A goal of \$850 has been set for the Hamlin fund which is used during the year to provide assistance to those in need.

The money raised during the campaign will be used locally to help the less fortunate of Hamlin. The aid is given in the form of food, clothes, medical aid, medicine or any other need deemed necessary by the local committee.

Part of the money also goes to support the state agencies such as disaster control units, home and hospital for unwed mothers, summer camp for boys, rehabilitation centers for alcoholics and home for the elderly.

12 File for Office In Haskell, None In Jones County

Although 12 candidates have filed for public office in Haskell County none have done so in Jones County. The Democratic primary is the first Saturday in May of 1970.

Office holders whose terms will be up for re-election next year are County Judge Leon Thurman, Treasurer L. R. (Shorty) Winkels, County Clerk Roy Thorn, District Clerk W. L. (Poochy) McDonald, and School Superintendent Everett Beaver.

In addition, Commissioner of Precinct 2 Tom Boyd, and Commissioner of Precinct 4 J. E. Touchstone, must stand for re-election.

Terms of three justices of the peace, in Stamford, Hamlin and Anson, will also be up.

Gil Lain will be the speaker for a Youth Led Revival at Highland Home Church Nov. 21-23. The team from Hardin-Simmons leading the services at 8 p.m. on the three nights also includes Robert Randall and Peggy Adams. Prayer meeting is at 7:30 p.m.

City Grants Gas Rate Increase

The Hamlin City Council voted Monday evening to grant Lone Star Gas its requested rate increase, effective Jan. 1. The increase will raise the average monthly residential gas bill approximately \$1.62, according to C. F. Hilburn, local manager.

The application for the rate increase, made in early October, is the first major request since 1953. In making the request the company cited increased cost of gas, higher property and equipment costs, increased wages and salaries, higher interest rates on borrowed money and increased taxes as primary reasons for the increase.

Lone Star Gas serves approximately 1300 customers in Hamlin.

Turkey Shoot

The Hamlin Jaycees will raise funds for underprivileged children with a Turkey Shoot here Sunday, Nov. 23.

Thanksgiving Services Set Sunday Night

The annual Thanksgiving service sponsored by the Hamlin Ministerial Alliance will be held Sunday evening November 23, 1969, at 7:00 p.m. in the First Baptist Church, announced Rev. Max Brown, president of the Ministerial Alliance. There will be a combined choir from all of the churches under the direction of Danny Oliver, minister of music and education of First Baptist Church.

The invocation will be offered by the Rev. David Campos, pastor of Mexican

Baptist Mission; scripture reading by Rev. B. C. Freeman, pastor of Oak Grove Baptist Church, Thanksgiving prayer offered by Rev. Harold D. Fleming, pastor of North Central Baptist Church.

The Thanksgiving message will be delivered by Rev. Cecil Hardaway, pastor of First United Methodist Church and the benediction will be offered by Rev. Bob Ledbetter, pastor of the Assembly of God Church.

Special music will be by the combined choir and Danny Oliver.

Joe Youngblood Resigns Coaching Post Monday

Head Football Coach and Athletic Director, Joe Youngblood, submitted his resignation to the Hamlin Board of Education Monday effective immediately.

Youngblood said Monday that he was joining the brokerage firm of Rauscher-Pierce Securities of Dallas

and will take a training course in Dallas in January and will locate in Corpus Christi the first of May.

This was Youngblood's fifth season as coach here, coming to Hamlin from Aspermont. His team this year finished tied with Stamford for second place in District 7-AA with a 7-3 record.

His wife, Ruth, and son, Joe, will remain in Hamlin until the end of school next spring and then will join him in Corpus Christi. Mrs. Youngblood is high school librarian and English teacher.

The board delayed making any decision on a successor until a later meeting of the group.

The board expressed their appreciation for Coach Youngblood's contribution as athletic director here and authorized Supt. C. F. Cook to draft a letter thanking him for his leadership and cooperation. Best wishes for his future endeavor were also expressed.

Measles Vaccine Given to 492 In Drive Here Tuesday

German measles vaccine was administered to 492 youngsters here Tuesday in a drive sponsored by the local Parent-Teachers Association and the Texas Health Department.

John H. Black of the Texas State Department of Health Communicable Disease Division administered the vaccine to 492 children, 331 school age and 161 pre-school.

Some \$100 was given in donations to help with costs of the vaccine given to children 1 to 5 years of age. The balance of the expense will be taken as a project of the P-TA.

KEEPING WARM—Various means of keeping warm were employed by fans at the Haskell-Hamlin football game Friday evening. Here, a group of sixth grade girls prove that sleeping bags, quilts and heavy clothing would do the trick. The girls are, left to right, Elaine Carlton, Melissa Madden, Debra Jay and Patrice Moore. THANKSGIVING TEA AT LODGE—Residents of Holiday Lodge are being entertained by the members of the Hamlin Garden Club at a tea Thursday afternoon. Here, left to right, Mrs. Mollie Miller, formerly of Plainview, John S. Woodson of Rotan and Eugene Cohorn are being served by Mrs. Donald Young, a guest who also presented a Thanksgiving poem for the occasion.

Jaycee-ettes Set Thanksgiving Dinner Tonight

The Hamlin Jaycee-ettes will prepare a Thanksgiving Dinner for the Jaycees and their wives Thursday evening Nov. 20, at 7:30 at the Jaycee Building.

Games of Bingo will be played and prizes will be white elephant gifts which each one attending is to bring.

Jaycee-ettes, LVNA Sets Joint Meeting Monday Evening

The Hamlin Jaycee-ettes and the LVNA, Div. 73, will have a joint meeting Monday evening at the primary cafeteria.

At 7:30 p.m. Mrs. W. W. Wallace, school nurse, will present a film on the Hyperactive Child.

The public is invited.

Linda Legan Doing Student Teaching Now

DENTON — Linda Sue Legan of Hamlin is among 490 North Texas State University students serving as student teachers in Dallas-Fort Worth-Denton area schools during the fall semester.

Some are teaching in area schools all day for eight weeks and others are training half a day for 16 weeks. A third group will spend all day of the last eight weeks of this semester.

Miss Legan, daughter of Mr. and Mrs. Frank C. Legan, 132 NW Avenue B, is student teaching English at Sam Houston High School in Arlington.

how can Lone Star Gas help you get rid of wrinkles?

We know all wrinkles are not due to aging. Some are due to drying. And dryers.

Some dryers affect clothes the way sun affects skin. They not only dry out moisture. They bake in wrinkles. Even in permanent press.

But gas dryers are more sensitive to your family's clothing. And more sympathetic to your work load.

Most new gas dryers have a special cool-down cycle that turns off the heat before your clothes become overheated.

That means your clothes have fewer wrinkles. And you have less ironing.

You also have less expensive utility bills. Because gas dries for about a penny a load.

See your gas appliance dealer or Lone Star Gas Company. Find out how to take it a little easier. And avoid wrinkles.

Drugs, Alcohol Program Subjects For Literary Club

Drug abuse and alcoholism and their influence on the community will be discussed by J. T. Appleton, M. D., of Abilene at the Friday afternoon meeting of Woman's Literary Club.

Mrs. Robert Wilson will host the meeting at her home, 920 S. W. Third St.

Mrs. Donald Young will be director. Federation news will be given by Mrs. Bob Craig.

At the Nov. 7 meeting Americanism Day was observed with a book review by Mrs. Douglas LeCroy. She presented "Don't Launch Him — He's Mine!" by Mary Jane Chambers, a humorous story of a family where the husband and father is in the space program.

Mrs. Jack Vaughan was hostess and Mrs. W. L. Moran was program director. Mrs. R. D. Moore gave parliamentary briefs.

Mrs. Hudspeth Hosts Garden Meeting Thursday

Mrs. Joe Hudspeth was hostess for the Thursday afternoon meeting of the Hamlin Garden Club. Mrs. Floyd Hallmark, president, presided.

Mrs. Joe League reported on the District VIII Fall Meeting held in Ozona Nov. 10-11.

Elected to membership were Mrs. Winston C. Farmer and Mrs. Bob Murff.

The program on Evergreens was given by Mrs. Fred Carpenter, Mrs. Marshall Stewart, Mrs. League and Mrs. P. A. Fowler.

Sixteen members and one guest, Mrs. Ted Smith of Spur, were present.

District Director Speaks to B&PW Club Here Nov. 11

Mrs. Tommye Riesenber, District Director of Sweetwater, was guest speaker for the Nov. 11 meeting of the Business and Professional Women's Club.

Mrs. E. W. Ueckert introduced the speaker. Mrs. Ueckert and Mrs. I. R. Witt the finance committee, were in charge of the program.

Mrs. O. G. Harvey of the program committee decorated with fall arrangements.

Others present were Mmes. Kenneth Riddle, E. A. Hewett, Earl Brown, Carl Green, W. B. Britton, R. B. Henington, Audrey Hodnett, Levi McCollum and Miss Viola Avants.

The next meeting will be Nov. 25, a covered dish supper in the home of Mrs. Hodnett.

Mrs. Bill Feagan Hosts Xi Gamma Pi Meeting Thurs.

Xi Gamma Pi chapter of Beta Sigma Phi met in the home of Mrs. Bill Feagan Thursday with members of Beta Theta Chapter as special guests.

The program, a fashion show, was presented by Lane Felker's of Haskell. Clothes and accessories to be worn for every occasion were shown.

Mrs. E. D. Perrin, president, presided.

The next meeting will be Dec. 11 at the home of Mrs. Howard Mehaffey.

Mr. and Mrs. George Bingham and Denise of Odessa visited his parents, Mr. and Mrs. Bonnie Bingham, Sunday.

NEWS FROM ...

Sylvester

By MRS R M BABB

I'll bet I know where this wind is going this Monday morning and that it will come back from the North just as cold as can be.

We have several in the hospital. Mrs. Ruth Brown, Roy Roquemore, and Butch Scott. Butch was in all last week and was only home a few hours and had to return due to a car accident. He is doing fair at this writing.

Bro. and Mrs. Donald Forrester, of Arlington stopped by the W. B. Brown home on Sunday night. They were returning to Arlington having spent the weekend in the homes of their parents in Odessa.

Mrs. Neda Kiser is in Callan hospital at this writing. Mr. and Mrs. Hugh Jeffrey of Sweetwater visited in the home of Gladys Williams one day this past week.

Mr. and Mrs. Waldo Gatewood stopped in Anson and picked up his parents and then drove to Dallas where his sister had major surgery the first of last week. She is reported doing O. K.

Mr. and Mrs. Mike Dobbs and son are spending a few days with her parents, Mr. and Mrs. W. M. Lawlis. I believe they also attended a wedding in Abilene Saturday night. They live in Euless.

Mr. and Mrs. Woodford Pursley of Abilene were here Monday noon but Woodford wasn't doing much talking. He had just had a tooth pulled in Hamlin.

There have been at least six or eight houses that have been moved through our town, they came from the west on Hiway 57, turned right onto Hiway 1085 and continued south, just you wait I'll find out where they are going and tell you!

Marcia Steele placed first in the Jones County Wool Contest held here Thursday afternoon. Jan Young judged second and Sharon Bruner third.

Jeanie Ferguson was first in the Junior Division. Terrie Gregory was second, Debra Brown, third and Deborah Meyner, fourth.

Homemaking students from Hamlin were the only entries. Judges were Mrs. Billie Carr of Anson, homemaking teacher; and Mr. and Mrs. Jim Heidenheimer, Anson merchants.

The garments have been sent to Texas Tech for District judging. The girls will model them there Saturday, Nov. 22, before the district judges.

Woman's Forum To Meet Monday

The Hamlin Woman's Forum will meet Monday at 7 p.m. in Harden Memorial Library.

Mrs. Floyd Clifton, president, will preside.

EAGLES SPEAK

Shirley Gann

Connie Dowell

This past week has been a rather hectic one for the students and faculty of M. H.S. Last Wednesday we had a bus missing but it was recovered on the Rotan School Grounds.

Last Friday night we played the Blackwell Hornets. The score after the fourth quarter was 46-16 in Blackwell's favor. This week we play Hobbs at McCaulley. This will be our last district football game and we hope to win it in spite of injuries received from previous games. Our junior high team has

won district. This was the first time for them to win district and we're proud of them.

Tuesday, Nov. 25, the Eagles will play their first basketball game at Blackwell.

Bridge Winners

Jack Russell and Jim Crownover from Odessa were first place winners at the Hamlin Duplicate Bridge Club meeting Tuesday night. Mrs. G. W. Comegys and Mrs. Holly Toler tied for second and third place with Floyd Briscoe and Preston Morrow of Rotan.

CLASSIFIED DEADLINE IS 8:30 a.m. WEDNESDAY.

Impala's hidden persuaders:

- ① 350-cu.-in. engine**
A new more powerful standard 250-hp V8 makes the 1970 Impala move with all the more assurance. On good ol' regular gas.
- ② Anti-theft column lock**
A locking system is built right into the steering column. When you take your key with you, you lock not only your ignition but your steering wheel as well.
- ③ Aluminized exhaust system**
It simply means that your original muffler, tailpipe and exhaust are going to last longer than you'd probably expect them to. Fair enough?
- ④ Side guard beams**
They look like highway guard rails, and they're built into both sides of the car for extra protection in case of impact. Not too many cars have them.
- ⑤ Inner fenders**
Up inside every fender is another fender to protect against slush and mud and help keep your Impala looking young.
- ⑥ Flush and dry**
We build the car so that rain and wash water can run down through the inside of the rocker panels, then out. Air follows to do the drying.
- ⑦ Full Coil suspension**
Huge coil springs at all four wheels are four big reasons why a Chevrolet Impala rides smoother and quieter than a low-priced car has any right to.

On the move.

David Sutton Now In Pilot Training At Laredo AFB

LAREDO — Second Lieutenant David A. Sutton, son of H. H. Sutton, 237 Avenue J, Hamlin, has entered U. S. Air Force pilot training at Laredo AFB, Tex.

Lieutenant Sutton will fly the newest Air Force jet trainers and receive special academic and military training during the year-long course. He will be awarded silver pilot wings upon completion of the Air Training Command flying program.

The lieutenant attended Ranger High School and Ranger Junior College. He received his M. S. degree in 1969 from East Texas State University and was commissioned there through the Air Force Reserve Officers Training Corps program.

His wife, Dwanna, is the daughter of Mr. and Mrs. James H. McMullin, 2305 Catalina St., Mesquite, Tex.

DAN A. BRUNER
... on leave here

Dan A. Bruner Here On Leave

Specialist 4th Class Dan A. Bruner, son of Mr. and Mrs. L. B. Bruner, 45 N. Central, has just completed 24 weeks of special training at Ft. Gordon, Ga., in the Army Southeastern Signal School. He had previously received basic training at Ft. Bliss.

Now on leave, he will leave Dec. 4 from Ft. Lewis, Washington, for service in Vietnam.

His wife, the former Genger Lasseter, will be residing at 133 S. W. Ave. B while her husband is in Southeast Asia.

Donald Embrey Completes Radar Repair Course

REDSTONE ARSENAL, ALA. — Private First Class Donald M. Embrey, 21, son of Mr. and Mrs. Calvin L. Embrey, 347 N. W. Fourth St., Hamlin, completed a Hawk missile continuous wave radar repair course Oct. 10, at the Army Missile and Munitions School, Redstone Arsenal, Ala.

During the 34-week course, he was trained in the function and theory of operation of the Hawk missile radar systems. He also learned the use of test equipment to assure that the replaced components operate within the prescribed tolerances.

Pfc. Embrey entered the Army in December 1968 and received basic training at Ft. Bliss, Tex.

He is a 1966 graduate of Hamlin High School.

Hamlin High Happenings

Piper Patter

Thomas Goolsby
Toni Casey
Mary Wallace

The Pipers were defeated last Friday at Piper Stadium by the Haskell Indians. Haskell ended the season as district champions while Hamlin tied Stamford for second place.

We are proud of our team and we are looking forward to the start of basketball season.

Crowning festivities for Band Sweetheart were held at halftime Friday evening. Peggy Jones, daughter of Mr. and Mrs. Carl Jones, was crowned Sweetheart by band president, Gary Carson. Other nominees were Jana Ferguson, daughter of Mr. and Mrs. Sam Ferguson, Marcia Steele, daughter of

Mr. and Mrs. John Steele, and Jan Young, daughter of Mr. and Mrs. Gerald Young.

Band members are proud of the first division they received at U. I. L. marching contest in Abilene last Wednesday. The marching Green was the only AA band to receive a first division, which is a superior rating.

The Hamlin FFA Chapter and vocational agriculture department served as hosts for district contests last Wednesday. Teams from Anson, Aspermont, Hamlin, Haskell, Hawley, Hobbs, Lueders, Avoca, Paint Creek, Roby, Rochester, Rotan, Ruess and Stamford were entered. Representing the Hamlin Chapter in the contests were Johnny Howard, Kenneth Payne, Rickey Gruhen, David Thompson, Ken Shira, Larry Jayroe, Roy Baker, Mike Herd and Danny Wood. Others participating were Rodney Rackey, Bryce Fowler, Ricky Rodgers, Oscar Guerra, Guy Clifton, Carlos Gonzalez and Steve Baker.

The FFA sponsored a fashion show last Thursday at 4:30 in the cafeteria. It was held to select winners of the "Make It Yourself With Wool Contest." Winners in the senior division were Marcia Steele, first; Jan Young, second; and Sharon Bruner, third. Winners in the junior division included Jeanie Ferguson, first; Terrie Gregory, second; Debra Brown, third; and Debbie Meyner, fourth.

RONNIE WILCOX
... due here Nov. 22

Ronnie Wilcox Due Here On Leave

Ronnie Wilcox, who has recently completed an electronics school in Key West, Fla., will be here Nov. 22 to visit with his parents, Mr. and Mrs. W. F. Wilcox, Barbara and Benja and a niece, Ronda Shellaine.

Nov. 25 he will report to Providence, R. I., for further training in electronics.

He has been in the U. S. Navy since Jan. 15.

Mother Dies In Olney Thursday

Funeral services were held Sunday for Mrs. James A. Lamar, 63, of Megargel, Texas. Mrs. Lamar was the mother of Mrs. Eugene Knabel and died in the Olney Memorial Hospital Thursday at 10:15 p.m.

She was a resident of Megargel for the past 35 years and was survived by her husband, five children, 15 grandchildren and two great-grandchildren.

Sam Ferguson Gets Promoted to NMMI Second Lieutenant

A recent news release from New Mexico Military Institute, Roswell, N. Mex., announced the promotion of Cadet Sam Ferguson to the rank of Second Lieutenant, Second Platoon Leader, L (Lima) Troop.

Officer promotions are based on leadership, citizenship, scholarship, and outstanding achievement in military science.

Lt. Ferguson is a sophomore pre-law major at NM-MI. Last year he was on the Commandant's List, a member of the Bronco Baseball team and the "T" (letterman's) Club. This fall he has also joined the Ski Club and the Officer's Club.

Sam is the son of Mr. and Mrs. S. C. Ferguson Jr. of Hamlin. He graduated from Hamlin High School in May, 1968.

News deadline is noon Tues.

Phone Company To Give Rotary Club Program

A program featuring a magical tour through the Bell System's nationwide Long Distance switching network will be presented to the Hamlin Rotary Club, Nov. 26.

Roy Wickerham, science demonstrator for Southwest Bell will give the program, "Better Than Aladdin," at 12:00 noon at the Plains Co-op Oil Mill.

Wickerham tours his magical show throughout the western half of Texas to tell about developments in the communications business.

His demonstration will show how Long Distance calls are routed across the country. Using magical skills, Wickerham will also show three-dimensional photographs called holograms; Picturephone, the see-while-you-talk telephone service; and data transmission, which enables machines to "talk over telephones."

Pipers Fall to Indians In Final

The Haskell Indians wrapped up the District title here Friday night as they overpowered the Pied Pipers, 33-7. The Indians will meet Eastland for Bi-District Friday night at 7:30 in Breckenridge.

The combination of Quarterback Lanny Ivy and sprinter Charles Franklin was more than the Piper defense could contain as the Indians opened up with two first quarter touchdowns, added another in the third period and closed out with two in the final stanza.

The Pipers put together several drives during the evening only to see the big Haskell line shut them off as they neared pay dirt.

Franklin, contained as well as he had been all year, was the night's leading ball carrier with 134 yards in 18 tries. Spencer Ford was high for the Pipers with 85 yards in 20 carries.

The Indians drove 53 yards in four plays to open the scoring following the kickoff, with Franklin going 40 yards on an end sweep to score.

Getting the ball back following a Hamlin punt the Indians moved the ball 80 yards in 14 plays to score their second touchdown. Ivy carried for the final two yards and then passed to

ydg. x k	

Donald Love for the two points.

The Pipers put together the only drive of the second period as they moved down to the Indian 36 before giving up the ball on downs.

The Pipers opened up the second half with a drive that carried to the Indian 32 before coming up short on fourth down. The Indians took over on the 34 and marched down the field with Terry Chapman scoring from 12 yards out on a reverse.

The two teams see-sawed back and forth until Haskell scored again midway in the final period on an 81-yard drive with Franklin going the final four yards around his left end.

The Pipers bounced back and moved the ball 72 yards in seven plays on the passing of Shira and the running of Ford to get on the scoreboard. Shira passed to Gary Smith for 8 and Ford picked up 16 on a draw play for a first down near midfield. Shira was dropped for a loss trying to pass and then connected with Smith again for 9 with Haskell drawing a 15-yard penalty setting up first down at the 27.

Missing on a long pass Shira gave the ball to Ford again on the draw with him racing down to the Haskell two

yard line. Ford hit into the middle of the line on the next play and scored standing up. Duane Stewart kicked the point after.

Following the recovery of a Haskell fumble on the Hamlin 21, the Pipers drove back

down the field to the Haskell 21 only to see Franklin intercept a pass at the five and race all the way in to score. The point after was blocked.

The game ended with the Pipers back on the Indian 16.

AUSTIN — Gov. Preston Smith turned from reading political polls to Indian signs last week and came up with a proposal for a new park in the Amistad Reservoir area near Del Rio.

Smith made a day-long inspection tour by air, car and boat, primarily to view 8,000 year-old Indian pictographs in Seminole canyon.

Impressed, the governor said the area must be developed as a recreation site and necessary steps taken immediately to protect primitive art from elements and vandals.

Smith said he personally favors state park development but noted that legislation already has been introduced to create Amistad National Recreation Area covering some 63,000 acres of land and water.

Parks and Wildlife Department Director J. R. Singleton said funds could come from future sale of bonds from the \$75 million Texas recreation and park development bond program. However, Singleton favors waiting on federal action to establish a national recreation area and determination of funds that U. S. agencies will provide for access roads and other facilities.

Smith said he plans to consult with Singleton and request the PWD chief to call all appropriate state department heads together at an early date to explore the state's role in area development.

CRIME AND NARCOTICS — An anti-crime and narcotics education package is being drawn up by the

Texas Education Agency for classroom use beginning in September, 1970.

Detailed proposals for a statewide attack on crime and narcotics will be drafted. State Board of Education has authorized the agency to develop proposals requesting funds through the federal Juvenile Delinquency Prevention and Control Act of 1968, plus state and private sources.

Program was initiated by the 61st Legislature, which directed the agency to develop "a course on the evils of crime and narcotics" which will be required of all students.

Next planning step will bring 100 educators and other interested persons together in Austin for the first National Leadership Methods Laboratory on crime and narcotics. Laboratory will be directed by R. T. "Sonny" Davis, Austin attorney.

Scope of the problem the legislature is trying to solve is illustrated with the latest figures compiled by the Department of Public Safety. During February through August, 1969, a total of 1,035 students in Texas in the 11 to 18-year-old bracket were arrested on narcotics and drug charges. This includes 519 arrests for possession of marijuana, 243 for dangerous drugs, and 273 for narcotics.

COURTS SPEAK — Harsh editorial criticism of a university professor's anti-war demonstration activities did not constitute libel, since the man was a public figure subject to criticism, Supreme Court has held.

A Corpus Christi contractor must pay \$127,700 damages to the widow and children of a man killed in collision with one of the firm's heavy highway construction machine units, high court said.

In other recent decisions, court concluded that:

A new hearing should be granted in the state's suit for more than \$10,000 in telephone taxes from a McAllen firm which installs and services auto telephones.

No commission is owed a newspaper broker who said he had arranged for the sale of two Corsicana newspapers, since he had no written contract.

HOSPITAL FUNDS APPROVED — Texas' Board of Mental Health and Mental Retardation has approved more than \$6.3 million in new construction projects.

Included is \$1.5 million for Corpus Christi State School, phase 3; Lubbock state school, \$915,000, phase 3, and Richmond State School, \$2.5 million, phase 3. Major expansions at three schools will provide 766 new beds for retarded.

Additional projects will be at Big Spring State Hospital, Rusk State Hospital, Vernon Center, Wichita Falls State Hospital and San Angelo Center.

Wichita Falls, Plainview and Midland received first-year grants for community MH/MR centers.

MEDICAL ASSISTANCE UNIT TO FUNCTION — State Department of Public Welfare's first medical assistance unit will begin field operations from San Antonio December 1, serving a vast 18-county area of South Texas.

Team, headed by a doctor, will have responsibility for medical review and utilization review of services provided by physicians, nursing homes and state institutions participating in Medicaid. Unit will also offer consultation to nursing homes on patient care and social services and medical record keeping. Its consultation services will be available to state mental hospitals and schools for retarded.

LIONS CAMP MONTH—Governor Preston Smith proclaims November "Texas Lions Camp for Crippled Children Month" as Lions League President E. J. Grindstaff of Ballinger and Executive Director Frank Robertson of Kerrville watch in ceremonies in Austin.

13 Chapters Take Part In District FFA Leadership Contests Nov. 12

Thirteen of the fourteen chapters in the Stamford District FFA Association participated in the district leadership contests Wednesday, Nov. 12, at Hamlin High School.

The Hamlin FFA Chapter and vocational agriculture department served as hosts for the contests. Teams from Anson, Hamlin, Aspermont, Haskell, Hawley, Hobbs, Lueders-Avoca, Paint Creek, Roby, Rochester, Rotan, Rule, and Stamford were entered.

The contests were divided into two divisions, Green Hand and Chapter Farmer. Eight teams entered the Green Hand Chapter Conducting. In the Chapter Farmer Division, eight teams entered Farm Radio; five, Farm Skills; and nine, Chapter Conducting.

Results were: FFA Quiz: 1. Aspermont, 2. Roby, 3. Hawley, 4. Anson, 5. Hobbs, 6. Hamlin, 7. Haskell, 8. Stamford.

Green Hand Farm Skills: 1. Roby, 2. Stamford, 3. Rochester, 4. Aspermont.

Green Hand Chapter Conducting: 1. Roby, 2. Hamlin, 3. Anson, 4. Hawley, 5. Aspermont, 6. Haskell, 7. Rule, 8. Hobbs, 9. Paint Creek, 10. Stamford.

Farm Radio: 1. Hawley, 2. Aspermont, 3. Rotan, 4. Roby, 5. Anson, 6. Paint Creek, 7. Haskell.

Chapter Farmer Farm Skills: 1. Anson, 2. Roby, 3. Paint Creek, 4. Aspermont, 5. Haskell.

Chapter Farmer Chapter Conducting: 1. Anson, 2. Roby, 3. Hamlin, 4. Hawley, 5. Lueders-Avoca, 6. Aspermont, 7. Hobbs, 8. Stamford, 9. Haskell.

All first place teams will compete in the Area II FFA

Leadership Contests in Big Spring, Nov. 22.

Representing the Hamlin FFA Chapter on the FFA Quiz were Johnny Howard, Kenneth Payne, Rickey Gruben, and David Thompson.

Members of the Green Hand Chapter Conducting Team were Ken Shira, president; Johnny Howard, vice-president; David Thompson, secretary; Larry Jayroe, treasurer; Rickey Gruben, reporter; Kenneth Payne, sentinel; Roy Baker and Mike

Herd, delegates; and Danny Wood, advisor.

Serving on the Chapter Farmer Chapter Conducting team were Rodney Rackley, president; Bryce Fowler, vice-president; Ricky Rodgers, secretary; Oscar Guerra, treasurer; Guy Clifton, reporter; Carlos Gonzalez, sentinel; and Steve Baker, advisor.

In the early 1940s the state of South Dakota had as many as 50 million pheasants.

State Farmers Union Convention
Slated for Abilene Dec. 4, 5, 6

Abilene will host the Sixty-sixth Annual Convention of Texas Farmers Union December 4-6. According to the officials of the statewide general farm organization, the fact that the Rolling Plains is generally referred to as "FarmersUnion Country" assures a large attendance and the "biggest convention in the organization's history." The convention headquarters will be the Windsor Hotel.

An array of interesting speakers and an activity-packed program awaits those farm and ranch families who will attend the convention this year. Among the headline speakers expected to address the convention are Tony T. Dechant of Denver, president of National Farmers Union; Paul Babey, president of the Alberta Farmers Union, Alberta, Canada; Senator Ralph Yarborough; Fred Heinkel of Missouri, president of the Midcontinent Farmers Association; Gordon Twedt, president of Montana Farmers Union; and Ray Novak of Denver, executive vice president, National Farmers Union Insurance.

The convention will give priority attention to adopting a state program to guide the policy direction of the organization during the coming year.

Special activities for the ladies and young people have been planned. Baby Sitting service will be provided for the young children.

NEWS FROM ...
Old Glory
By JUDY WHITE

VARIETY CLUB
The Old Glory Variety Club met last Thursday in the home of Mrs. Garrett Spitzer. Eight members present were Mmes. Katie Gerloff, E. H. Diers, Lynn Flowesr Charlie Letz, Bill Wright, Travis Beil, Beno Hertenberger and the hostess.

The ladies played "84" and planned their annual Thanksgiving turkey supper. This year's supper is to be held in the home of Mr. and Mrs. Beno Hertenberger, Thursday evening, November 20, at 6 p.m. The ladies will honor their husbands as guests at the supper.

Mr. and Mrs. C. T. Pierce, Debra and Denise, spent last Sunday in Graham visiting in the home of their daughter and family, Mr. and Mrs. Thomas Letz and Bryan.

Mr. and Mrs. H. L. Boles spent last weekend in Denton visiting their son and family Mr. and Mrs. Donald Boles and children.

Rita Baldree, student at Glen and Lott's Beauty School in Abilene was home last weekend visiting her parents, Mr. and Mrs. Oren Baldree.

Mrs. Adele Dudensing spent several days last week in Abilene visiting in the home of her daughter and family Mr. and Mrs. Charles Godard, Donny and Dale Jean.

Captain and Mrs. Jerrol Mack Newman and little son left Wednesday, Nov. 12, for Augsburg, Germany, where he will be stationed with the U. S. Army. Captain Newman returned to the States after almost a year of duty in Viet Nam Sept. 26 of this year. He is the son of Mr. and Mrs. J. F. Newman.

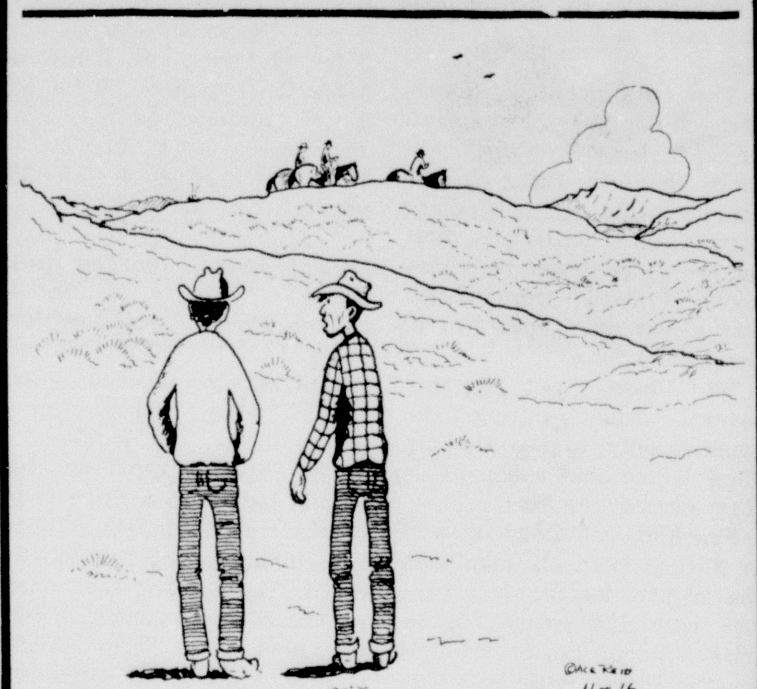

Mrs. H. E. Carr is in Knox City this week where she is spending a few days with her niece, Mrs. J. R. Weatherall.

HAMLIN, TEXAS

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(October 31, 1924)

Next Tuesday is general election day. It will be the first time in the history of Hamlin when there will be two voting boxes here. This news is being published very late. It will prevent much confusion for every one who learns of this to speak of it in conversation with everybody they come in contact. Roughly speaking, the territory included in this new box will be all persons residing east of the Tuxedo Box and North of the M. K. & T. Ry. and west of Central Avenue, beginning at the Katy Depot and North of California Creek West to the Fisher County Line. Get this:—If you live north of the Katy and West of Central Avenue and north of California Creek, then you belong to vote in West Hamlin.

Mr. F. I. Walker is appointed to hold the election in this New Box, and he states that the place of voting will be in the— Union Tabernacle.

This ought to be clear concerning this change.

There is no change in the old Hamlin Box. All voters will cast their votes at the City Hall and Garland Tumlin is appointed to hold the election there. So in the future voting in Hamlin will be known as East and West Hamlin. Tell all you meet and avoid confusion. West Hamlin votes this year at the Tabernacle and East Hamlin at the City Hall.

This division was granted by the Commissioners court last August. And it was done because the vote was so heavy in the Hamlin box that it required much time and delay in getting the count out after the polls closed.

TWENTY YEARS AGO
(October 28, 1949)

A total of 3,658 bales of cotton had been ginned by the two Hamlin establishments prior to Thursday, managers of the firms reported.

The gins were slowed down by rains over the week-end, and Monday, but reported that only a slight delay in ginning was occasioned. The damp weather enabled the gins to catch up with the cotton harvest.

One gin manager said Thursday that farmers who go back into their fields too quickly after rains, suffer loss of considerable money in lower grades of cotton. If the cotton is left to dry on the stalk, he said, it will not suffer as much damage in price.

Hamlin's street curbing and drainage project has been shut down for several days, and will not get underway again until the Santa Fe Railroad completes its agreement to put drain pipes under its tracks, Holly Toler, mayor, said Thursday.

The work of installing curbing and gutter on North Central Avenue was completed several weeks ago, and work was begun on curbing East Lake Drive, when crews in charge of the work had to be pulled off the job to await the Santa Fe's part of the project.

When the project was outlined, Toler said, the railroad company agreed to put in two 42-inch drain pipes, to carry excess surface waters from SE Avenue B, into the creek southeast of Hamlin.

It is planned to lower the surface of SE Avenue B to serve as a drainage canal for water that heretofore has collected at Central and Lake Drive.

Toler said Thursday the railroad has been promising to start construction on the project for several weeks, but no definite action has yet been taken.

He said the highway department

crews will return here immediately to resume work on the streets, when the railroad finishes its part of the improvement program.

Meanwhile residents and business firms along East Lake Drive are plagued with a deep ditch between their property and the street, and traffic is unable to cross the mud-filled channel.

Hamlin's belated street markers are ready for erection, B. V. Newberry, chairman of the street naming committee, said this week—but the committee has run out of funds and has nobody willing to put them up without getting paid.

The markers arrived two weeks ago, and have been assembled ready for immediate installation. The markers have also been paid for, Newberry said.

Angle Iron, cut in 8-foot lengths, for uprights on the markers, also has arrived, and been paid for. Holes have also been drilled into the iron lengths for bolting on the street names.

In fact, Newberry announced, everything is ready, except somebody to do the work of drilling the holes, mixing concrete and setting the uprights.

Money derived from the sale of house numbers has paid for the markers and the angle iron, but not sufficient money has been received to employ a crew to erect the markers.

Pat Marlow, president of the Rotary Club, and A. G. Irwin, president of the Lions Club, have said they will name others from the two organizations to help work out a plan for erecting the markers.

TEN YEARS AGO
(October 29, 1959)

Robert Smith of Route 3, Hamlin, held the lucky ticket for Saturday's Appreciation Day drawing, good for 10 per cent of the treasure chest worth \$48.

Consolation prizes went to Martha Butler, H. H. Plemons and Mrs. E. C. Davis. The prizes were furnished by Carlton Hardware, Piggly Wiggly and Pied Piper Feed Mills.

This week's jackpot will contain \$504.09.

Representatives of the Hamlin Board of Community Development presented an informative panel discussion last Thursday when members of Xi Gamma Pi chapter of Beta Sigma Phi met in the home of Mrs. E. D. Perrin. Those taking part on the program were Orville D. Roland, Max Murrell, W. T. Johnson and Wesley Nail.

Organization and functions of the various BCD committees were explained in an interesting manner. All members appreciating the thought that is being given to the community's progress and expansion.

The hostess served a dessert plate to the program guests and the following members: Mmes. W. T. Johnson, George Poe, M. L. Smith, E. J. Hawkins, Weldon C. Griggs, Arlie Cassle, Earl Smith, John C. Bryant, Jerry Waggoner, Holly Toler, Gerald Young, Wesley Nail, Weldon Carlton and Jim Ballard.

Mr. and Mrs. Bryant Conner are this week announcing the engagement and approaching marriage of their daughter, Marie Wyvonne to Thomas R. Newland, son of Mr. and Mrs. W. S. Newland of Hamlin.

The couple will be married on Friday, December 11, at the home of the bride-elect.

Both the young people are graduates of Hamlin High School, and he is employed by Prewitt Motors in Hamlin.

I am Thankful... for good health, and for the food that I have each day. I am thankful for those near and dear to me that I can love, and in turn love me. I am thankful for the freedom of my nation, and that I can worship as I please. I am thankful that God loved me so much, that he provided a way for my salvation. I am thankful that he is a forgiving Father. I am thankful that I can attend Church and worship my Lord

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

Social Security Offers Help to Those Retiring

If you are 65 and going to apply for your Social Security retirement benefits and Medicare benefits, you will find that you will be allowed to work part time and draw your social security retirement. You will find that you will be allowed to earn up to \$1680 a year in wages and self-employment and still get all of your retirement checks. You will also find that even

if you earn more wages than \$1680, you will often be due some retirement checks. And this combination of some work and some social security checks frequently may work better for you than either complete retirement or full-time work.

It may be that you will be one of the many persons who look forward to full retirement — to travel — to give some of their retirement time to service organizations — to use some of their talents which they have not found time to

use while working full-time. Whatever your choice, to retire or not to retire, Tuley urges that you contact the local office for social security and discuss your situation 3 months before that 65th birthday. "Inaction is one way of saying 'No' to Medicare coverage, and may also cost you some income dollars," he added.

Mr. and Mrs. A. C. Hayes are grandparents of Charles Bryan Hayes, son of Mr. and Mrs. Joe Hayes of Athens, Ga.

TO RECEIVE GILTS—Future Farmers of America members to receive registered gilts to begin a breeding swine program are, left to right, Gilbert Romero, Stanley Moran and Rodney Rackley. The gilts are part of gilt chains made available three years ago through the Sears Foundation.

Three More FFA Members to Get Registered Gilts

Three more Hamlin members have been selected to receive registered gilts to begin a breeding swine program as a part of their supervised farming programs. The members are Rodney Rackley, son of Mr. and Mrs. O. L. Rackley, Gilbert Romero, son of Mr. and Mrs. Alfred Romero, and Stanley Moran, son of Mr. and Mrs. Lee Moran. The gilts are part of gilt chains first made available three years ago through the Sears Foundation.

The members are to raise their gilts and return one gilt from their first litter to the chapter next fall which will be placed with other FFA members. Rodney is receiving a Duroc gilt from Oscar Guerra. Gilbert gets Chester White gilt from Carlos Gonzalez. Stanley will get a Hampshire gilt from Steve Teichelman.

Motor Vehicle Inspections Run Behind Last Year

AUSTIN — Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said today that motor vehicle inspections in Texas are running almost 30% behind the inspection rate at this time last year.

"Unless the inspection rate increases, there are going to be some awfully long lines at inspection stations prior to the April 15 deadline," Speir said.

During the year which ended August 31, some 6.3 million vehicles were inspected in Texas. Since September 1, only 538,000 have reached the required inspection.

The State Motor Vehicle Inspection Act was amended by the Legislature to provide that inspection stickers issued after September 1 will expire 12 months from the date of issue. However, the law requires that all motor vehicles display a new sticker before April 15, 1970.

Speir noted that the new stickers are being placed on the driver's side of the windshield and contain a number tab showing the month of expiration. The old stickers are on the passenger or right-hand side and have no number tab.

"The inspection program is intended to discover vehicle defects which may lead to an accident. We urge all Texans to have their vehicles inspected soon to make sure they are safe for winter driving," Speir said.

Frank Calhoun Named to Serve On Committee

AUSTIN — District 62's State Representative Frank W. Calhoun of Abilene has been appointed to the Committee on Faculty Compensation in state-supported colleges and universities Speaker G. F. (Gus) Mutscher said today. Other Representatives designated to serve on the Committee are Jamie H. Bray of Pasadena and Lamoine Holland of San Antonio.

"I have been aware of Representative Calhoun's keen interest in the institutions of higher learning in the state, as well as his business acumen all during this session of the Legislature," Mutscher said. "Representative Calhoun's interest in this field and his solid business-like approach to problems makes him well suited to serve the Legislature and Texas in this area of education."

The Committee on Faculty Compensation was created during the 59th Legislature, and was continued by the Senate Concurrent Resolution 32 during the 61st Legislature.

USDA Announces 1970 Cotton Price-Support Loan, Payment

The U. S. Department of Agriculture, on October 31, 1969, announced 1970-crop upland cotton price-support loan and payment rates.

The national average price-support loan rate for Middling 1-inch cotton at average location has been set at 20.25 cents per pound for the 1970 crop. Price-support loans available to program cooperators for different individual qualities will be based on the Middling 1-inch rate. This is the same rate as that applicable to the 1969 crop.

The price-support payment rate to program cooperators has been established at 16.80 cents per pound. This payment is in addition to the price-support loan. It is the amount necessary in addition to the loan to provide producers at least 65 percent of parity on cotton produced within the acreage permitted under the program. The payment is made to cooperators on acreage planted within the domestic allotment which is 65 percent of the total farm allotment. The 1970 rate compares to a 1969 program price-support rate of 14.73 cents per pound.

Today's announcement, along with previous determinations, gives cotton producers basic information on next year's program prior to a mail referendum, December 1-5, on 1970 crop cotton marketing quotas. In the referendum, at least two-thirds of the upland cotton growers voting must approve marketing quotas before the essential features of the program can go into effect. If more than one-third of the growers vote "no," the only cotton program will be price support at 50 percent of parity for growers who do not exceed their acreage allotment.

The 1970 loan rate was established under legal provisions calling for a level which will reflect — for Middling 1-inch upland cotton at average location in the

United States — not in excess of 90 percent of the estimated average world price for the 1970-71 marketing year. The loan rate announced October 31 will continue "one price" cotton making it possible for U. S. cotton to move in either domestic or export channels without an export payment.

The carryover of upland cotton as of August 1, 1970, is expected to fall to the lowest level since 1953. In view of the small carryover, payments will not be offered in 1970 for diverting acreage from cotton. Special provisions for small farmers, however, will be continued.

Small farms, that is farms with allotments of 10 acres or less or with projected production from the allotment of 3,600 pounds or less, may plant the entire farm allotment and, in addition to the price-support payment on the domestic allotment, receive payment on the domestic allotment, receive payment of 11.95 cents per pound on the projected yield of 35 percent of the farm allotment.

Previously announced were upland cotton quotas, national and State acreage allotments, national and farm domestic allotments, national and State projected yields, skip-row planting provisions, the lease and sale of allotments, and the national export market acreage.

Payments under the program would be subject to any limitation that might be required by Congress in the Department of Agriculture appropriations.

Awards Presented At Pack Meeting

Awards were presented by Cubmaster Gean Witt at the Monday evening pack meeting held at the primary cafeteria.

Receiving Bobcat awards were Gregg Mann, Danny Woolf, Joe Stewart, Harold

CLIFF DRUMMOND
... administrator

Rep. Jake Pickle Names Drummond His Administrator

WASHINGTON, D. C. — U. S. Rep. Jake Pickle announced the appointment of Cliff Drummond as new administrator for the 10th Congressional District office.

Drummond, former student body president at The University of Texas, replaces Fleetwood Richards who has served with Pickle since the Congressman was elected in 1963.

In making the announcement, Pickle said, "Cliff has been a volunteer in my office for over two years; consequently, he knows the people of Central Texas and their needs."

Drummond, 26, graduated from UT with a BS in Pharmacy and radio and television. He is married to the former Merry Nell Van Fleet of Freer. They live in Austin. He is a Hamlin High School graduate and the son of Mr. and Mrs. G. W. Drummond.

Prewitt, David Hertel and Randy Pritchard.

Tony Truelove and Guyland Roberts received one year service pins.

Guyland also received one year attendance pin and Tony, four silver arrow points.

Minimum Barley Diversion Set for Grain Program

Minimum diversion for barley in the 1970 feed grain program will be 20 percent of the farm's barley base acreage, J. E. Nix, Chairman of the Jones County Agricultural Stabilization and Conservation (AS) Committee reported. This is the same minimum diversion that was required in the 1969 program.

Participants in the 1970 program who substitute wheat for oats-rye will also be required to divert 20 percent of their oats-rye base. In 1969 the diversion requirement was 15 percent.

Mr. Nix said these provisions of the 1970 feed grain program were being announced now to aid producers of winter barley in their farm planning. Other provisions of the 1970 feed grain program relating to corn, grain sorghum, and barley will be announced soon.

News deadline is noon Tuesday. Tuesday evening events by 10 p.m. Tuesday or 8:30 a.m. Wednesday.

MAIL THIS COUPON

The Potters are expecting a very important phone call.

In the years ahead, you'll be able to preset your telephone to transfer calls to the number where you're visiting.

Electronic switching—using a sophisticated computer system—will make this and many other new services possible.

For example, your phone will have a memory. By dialing just two digits of a

frequently called number, you'll activate that memory, then the phone will dial the remaining digits automatically. Electronic switching is fact, not fiction.

It's part of our program to plan today for tomorrow's communications needs.

We may be the only phone company in town, but we try not to act like it.
